

Alert Bay School PAC Meeting Minutes

Date: November 10, 2020

Location: via Zoom

Present: Jen Turner, Eric Hunter, Rosalind McKinney, Susan Dalton

Principal's report:

The school was awarded a \$5000 grant for Mental Health. The school staff decided to use it to build an a'wakwas. The structure would serve as an outdoor classroom area and also have a designated friendship bench where students can sit when they are in need of a friend.

Last year's executive is willing to hold the same positions this year. Melissa consented by text message

Ros McKinney – president
Melissa Fletcher – treasurer
Susan Dalton – secretary

The group decided to go ahead with the Purdy's fundraiser. We are too short of volunteers to run the Christmas plant sale.

There was discussion about purchasing a dishwasher for the school. Susan will get a quote and bring it to the next meeting.

Susan reported that we received a \$880 gaming grant.
